FIRE PITS

The first of its kind – an American made, high quality fire pit with a pack flat design, making it the perfect travel companion. The heavy gage angled walls provide ample venting to promote a clean and complete burn with minimal smoke. Our fire pits double as a cooking surface. With our stainless steel griddle you can grill and sear over live fire for that wood-fired flavor we all know and love.

CORTEN FIRE PIT AND STAINLESS STEEL FIRE PIT

STAINLESS STEEL GAS

OAK WOOD PELLETS

American-made pellets are 100% oak and do not have any filler woods or oils. They're made in small batches to ensure complete control over the process. You can expect these pellets to impart a familiar barbecue joint-style smoke during your cooks.
